

Far North Queensland **GIS** Group Inc

**Online MapChat: Wednesday 31 March 2021**

## **Kimberley fire management: GIS and remote sensing.**

Fire management in the Kimberley involves many challenges - including vast areas and few personnel. Join us to hear from Senior Field Ecologist, David Nelson, about some of the GIS resources, methods and tools that permit efficient fire planning, suppression and assessment in the Kimberley.

**Free for FunGIS members and \$5 for non-members**

**Register at the link below for Zoom login details:**
