## About the FunGIS Conference 2026

FunGIS (Far North Queensland GIS Group Inc.) is a vibrant and inclusive community of GIS professionals, supporters and students across government, industry, consulting and academia.

The FunGIS Conference 2026 brings together a diverse range of geospatial professionals for two days of learning, collaboration and inspiration. Under the theme **Past – Present – Future**, the program will explore the evolution of GIS and the technologies, ideas and people shaping what's next.

“ FunGIS brings together professionals working on projects and initiatives that extend across Queensland, Australia, and beyond – creating a network with influence far greater than its regional roots. ”
